WHY Why not? It's fun, it's so easy, and you'll be contributing dollars to one of the most efficient organizations out there! Nearly 90 cents of every dollar goes directly to research and treatment of those living with Cystic Fibrosis. (Did you know that the money we've *already* raised has helped scientists find treatments that have increased the life expectancy to 37 years old: twice what it was just 25 years ago!) Just imagine what your donation will do!
