

Where will Charlotte's most influential young professionals be on **Saturday, February 20, 2010**? The 10th Annual Guys and Dolls Bachelor/Bachelorette Auction. It is with great honor to cordially invite you to sponsor the event.

Guys & Dolls, in its historic ten year, features 30 of Charlotte's most eligible men and women who agree auction themselves off with a fabulous date package to the highest bidder, raising vital funds for cystic fibrosis research. Guys and Dolls consistently attracts more than six hundred of Charlotte's most sought after young professionals and business leaders to the event each year and since it's inception the Auction has raised more than \$650,000, more than \$160,000 in 2009 alone!

Cystic fibrosis is a life-threatening genetic disease that affects approximately 30,000 children and young adults in the United States. The Foundation has adopted an innovative business approach to drug discovery and development that is emulated by other nonprofits. The approach has been widely recognized by organizations including the National Institute of Health and publications such as *Forbes* and *USA Today*. We receive no federal funding and depend on the generosity of individual donors and corporations to support our lifesaving mission. Your involvement and support are critical to our success.

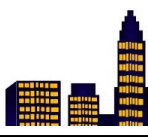

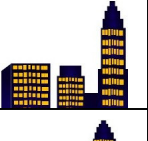

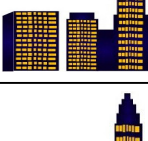

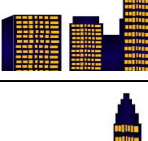

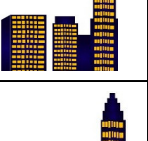

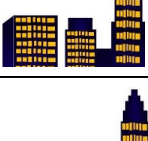

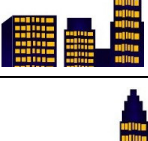

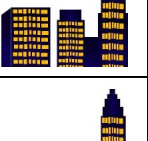

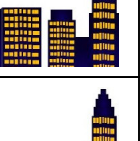

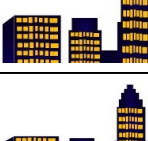

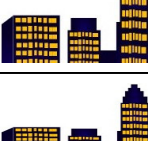

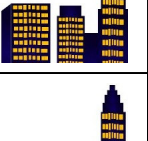

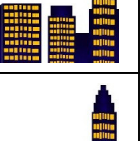

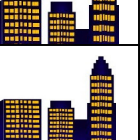

Please contact me directly at (704) 321-7852 or swatt@cff.org to learn more about sponsorship opportunities. We warmly welcome your support in our endeavor. Your partnership will contribute to the success of the evening and will most certainly further our efforts to save lives and find a cure for cystic fibrosis while promoting your business to a key demographic.

Sincerely,
