

## **SUPERFLY TOURNAMENT FORMAT & RULES**

Thursday, October 8<sup>th</sup>, 2009

Golden Isles Marina

St. Simons Island, GA

### **Event Description:**

The Redfish One-Fly is a one-day fly fishing tournament. This is an optional event and is restricted to anglers and guides participating in the Rich Products Golden Isles Celebrity Red-Trout Classic. The entry fee is \$350 for one angler, or \$500 for two anglers. \*Guide fees are not included in entry fee. In addition to the entry fee, teams are responsible for securing their own guide and payment of guide's normal daily charter rate directly to the Captain at the end of the fishing day.

### **Format:**

A Team can consist of one or two-person teams with a guide. Teams choose one fly pattern to use for the day, but may have as many copies of the fly as they want. The size and weight of the fly can vary, but the pattern itself (configuration, shape and color) must be the same. Teams are awarded 200 points for every redfish 18 inches and above that are caught, measured and released. Measuring devices, scoresheets and cameras will be provided.

### **Rules:**

- Redfish are the only target species for this event
- No trailering – boats must depart from and return to Golden Isles Marina
- IGFA rules and tackle specifications apply
- No chumming
- Points count when redfish 18" (overall length) and above are measured and released
- Two people (angler/guide or angler/angler) must witness accurate measurement
- The angler who caught the fish must personally record the fish immediately after it's released. Angler(s) and guide must attest to the accuracy of the final score sheet by signing off on the final score sheet at the end of the day
- The Team (either 1 or 2 anglers) with the most points wins. In the case of a tie, the winner is determined by the Team who released their last fish first
- Maximum of 20 pound test tippet material (manufacturer's stated) may be used.
