

Committee Development

Because the Chicago chapter has over 40 events every year, we rely heavily on our committees to help make each event successful. Each event committee convenes about once a month to discuss the latest happenings of their particular event. The event chairman conducts the meeting with the CF event director always in attendance. Each committee has members that work on one, or several, of the following:

- Sponsorship solicitation
- Auction and raffles
- Ticket Sales
- Event logistics
- PR and media

Since we also want to continue to grow our committees in order to bring new ideas and contacts to the event, we encourage that each committee member invite a friend, family member or co-worker to join the committee as well.

If you are interested in serving on one of our many committees, please fill out the attached form and fax it to 312.236.2797 or email it to kimills@cff.org
