

Checking for CF – Public Safety Hockey Challenge

The first annual, Checking for CF tournament will benefit the Cystic Fibrosis Foundation's research program to find a cure for cystic fibrosis. This tournament promises to be an exciting day of hockey, as public safety hockey teams from the Twin Cities area, compete to be the first "Checking for CF Champion."

Each public safety team raises \$2,500 to battle in this all-day, double-elimination tournament. Checking for CF represents an opportunity for public safety professionals to connect with their peers and contribute to an important cause, while playing Minnesota's favorite sport—Hockey!

Please join us at the Schwan Super Rink at the National Sports Center in Blaine, Minnesota-- the largest ice arena of its kind in the world! Food and raffle games will add to the day's excitement.

Date: Sunday, February 21st, 2010

Location: National Sports Center – Schwan Super Rink
Blaine, Minnesota
