

Wine for a Cure

A benefit for the Cystic Fibrosis Foundation

The Cystic Fibrosis Foundation, in collaboration with Zephyr Grill and Bar, is proud to announce the Second Annual *Wine for a Cure* to take place on Sunday, October 25th, 2009.

The night will showcase wines from the Livermore Valley and will be paired with culinary dishes from a special menu created by Head Chef Nick Musser. We are please to have Picazo Vineyards as our premier winery, pouring exceptional wines during the VIP reception. Steven Kent and La Rochelle wineries will also be featured during the main event, along with other spectacular Livermore Valley Wineries.

The *Wine for a Cure* event will raise money to provide funds for the research necessary to find a cure for cystic fibrosis. Cystic fibrosis is a fatal, genetic disease that affects over 30,000 children and young adults in the United States. There are dozens of families here in the East Bay who are dealing with this disease as well. We have lost several of our residents to cystic fibrosis, and we are looking to our community to help us find a cure before we lose any more of our children.

Your sponsorship will include: VIP tickets to the event, (number of tickets depends upon your sponsorship level), a souvenir gift for each of your guests, one complementary signature martini per guest, as well as name /branding recognition on the event website and brochure.

Your support is vital in funding a cure for cystic fibrosis and we
your consideration.
