Tee Off at the Annual William Tell Financial Golf Open to benefit the Cystic Fibrosis Foundation

For Immediate Release

LATHAM, NY – The Annual William Tell Financial Golf Open will once again benefit the Cystic Fibrosis Foundation of Northeastern NY. Guests will enjoy a scramble format, lunch at the turn and an enjoyable awards dinner all compliments of William Tell Financial. This year's tournament is scheduled for June 22 at the Fairways of Halfmoon. More than 100 golfers are expected to participate in the event and all proceeds will go towards much needed research towards a cure for cystic fibrosis.

Prizes will be given for the top three winning teams, closest to the pin, longest drive and hole-in-one.

In 2006, over \$5,000 was raised through raffles and competition wholes to benefit the Northeastern NY chapter. Executive Director, Rebecca M Santoli comments, "The tournament was an enjoyable day for William Tell clients as well as creating much needed awareness about this disease." " We appreciate all that everyone at William Tell Financial has done for us and hope to continue to have them as a friend of the organization for many years to come."

For more information on this event or the Cystic Fibrosis Foundation contact Rebecca M Santoli at rsantoli@cff.org.
