Needing a great school fundraising project to get involved in?

Join Cure Finders!

There is no age requirement needed to start making a difference for people with CF. Cure Finders proves that. This is a new school and youth fundraising program for grades K-12.

Classes compete to raise the most money to win a free lunch delivered to the classroom. Schools vary in their campaigns; examples include change for a cure, bunny hop, mini-march, karaoke night, and yard sale.

The Cystic Fibrosis Foundation has partnered with BJ's Brewhouse to encourage student involvement. For schools that raise \$1000 and are located within 15 minutes of a BJ's restaurant, they will be in the running to receive \$1000 for both their school and the foundation!

Each school that is recruited will raise money in honor of a local child with CF. Is your school involved yet?
