Because of risks to people with cystic fibrosis (CF), individuals with a confirmed positive culture for *Burkholderia cepacia* complex shall not attend this event. This is because *B. cepacia* can be passed between individuals who have CF through close proximity. *B. cepacia* infection in a person with CF can cause serious respiratory illness and, in some patients, may lead to death. Despite this policy, there still might be some individuals with *B. cepacia* in attendance. *B. cepacia* is not a risk for otherwise healthy individuals. For alternative ways to participate and for information about this policy, please contact the CF Foundation at [800] FIGHT - CF or visit our Web site at [www.cff.org](http://www.cff.org). Consult your CF Care Center physician with medical questions.
