

# The 7<sup>th</sup> Annual Moonlight Martinis

a benefit for the Cystic Fibrosis Foundation

Presented by

October 18, 2008 ~ Fogle Fine Art & Accessories

In its 7th year, Moonlight Martinis has become one of the most unique affairs in North Florida and one of the most successful fundraisers for the Cystic Fibrosis Foundation. Moonlight Martinis will once again offer a unique venue with a sampling of fabulous martinis, delicious fare, and auctions for your shopping pleasure. Joining us for an intimate performance is country singer and songwriter, Tammy Cochran. Tammy won numerous awards for her ballad, "Angels in Waiting" – a song co-written in honor of her 2 brothers who lost their battle with cystic fibrosis at the young ages of 14 and 23. Tammy is coming to North Florida exclusively to share her touching story at Moonlight Martinis. This will be an evening to remember ... please join us as we work to find a cure for CF.
