Get Involved!

The Cystic Fibrosis Foundation is the world's leader in the search for a cure for cystic fibrosis. The Foundation funds more CF research than any other organization. Join the team that is making tremendous strides toward a cure and control for CF, a life threatening genetic disease that affects 30,000 children and adults in the United States.

Nearly 90 cents of every dollar raised goes to support vital CF research, medical and education programs.

Here's what you can do to help make CF stand for CURE FOUND in Virginia!

Blow Away CF by forming a Great Strides Team for the 2012 Richmond Metro Walk on Saturday, May 19th at Innsbrook North Shore Commons.

Forming a team is easy!

Help us honor Richmond's *Finest Young Professionals!*

We are currently accepting nominations for the 2012 Foundation's Finest Leadership Class! We are looking for Richmond's best and brightest young professionals to compete for the title of the *Foundation's Finest*. Each honoree will be given the tools they need to be successful fundraisers on behalf of the CFF mission. The eight-week competition gives honoree's an opportunity to network & schmooze with some of Richmond's best. The competition concludes in a celebratory finale.
