

PARTNER WITH A RESULTS-DRIVEN ORGANIZATION...

The *Ultimate Golf Experience*—now in its twelfth year—is the Cystic Fibrosis Foundation's premier golf event. The *Ultimate Golf Experience* is designed to attract the most avid golfers by providing a challenging tournament at one of the most prestigious golf resorts in America.

By applying the same principles that a “for-profit company” follows—efficiency, innovation and a results-driven approach—the CF Foundation is making a profound difference in the lives of those with CF.

The CF Foundation Is Efficient.

The CF Foundation spends approximately 90 cents of every dollar raised on program services including research and care. According to *SmartMoney*, the CF Foundation is “a charity that won't waste your money.”

The CF Foundation Is Innovative.

Forbes has recognized the CF Foundation for its innovative approach to curing a disease. By offering milestone-driven research awards, the CF Foundation stimulates the development of new CF therapies that are having a profound impact on thousands of young lives.

The CF Foundation Is Results-Driven.

When the CF Foundation began, few children lived to attend elementary school. Thanks to the research and care supported by the CF Foundation, the median age of survival for a person with CF is now almost 37.

The CF Foundation Needs Your Help!

Although the outlook for a child born with CF today has improved tremendously over the years, it is not good enough. Your partnership with the CF Foundation is critical to ensuring that the momentum in CF research continues. Working together, we can *add tomorrows every day* to the lives of all people with CF.

Ultimate Golf Experience

The Sanctuary Kiawah Island, South Carolina

October 18-22, 2006

Ultimate Golf Experience

AN AMAZING LOCATION...

The Sanctuary at Kiawah Island, SC

The twelfth annual *Ultimate Golf Experience* (UGE) will be held at The Sanctuary at Kiawah Island outside Charleston, South Carolina. *Condé Nast Traveler* has named The Sanctuary one of the top ten North American resorts! This prestigious event benefiting the Cystic Fibrosis Foundation will feature a combination of thrilling golf and luxurious accommodations that will delight both golfer and non-golfer alike.

By participating in this year's *Ultimate Golf Experience*, you'll enjoy three days of championship golf on exciting and challenging courses. **Turtle Point**, designed by Jack Nicklaus, features a beautiful low-profile design in which fairways and green settings are blended into the existing landscape. Rated 4 stars by *Golf Digest*, the course offers a tough test for all golfers with five par fours stretching 420 yards or longer.

You will also enjoy the stunning **Osprey Point**, designed by Tom Fazio, the best contemporary architect in golf. *Golf Digest* rates it 4 stars as one of the "Best Places to Play." *Golf for Women* rates it #10 on their "50 Best Golf Courses for Women" list. It features four large natural lakes, fingers of saltwater marsh and dense maritime forests of century-old live oaks, pines, palmetto palms and magnolias.

Finally, the tournament ends on the legendary **Ocean Course**, designed by Peter Dye. From a ribbon of pristine sand dunes stretching nearly three miles along the Atlantic Ocean at the extreme eastern end of the island, The Ocean Course is a 7,296-yard, par 72 layout reminiscent of the great seaside links of England and Scotland. Rated 5 stars by *Golf Digest*, this amazing course hosted the World Cup in 1997 and 2003 and will host the 2012 PGA Championship.

Whether you are a competitive golfer or you just like to relax and enjoy your time on the links, the *Ultimate Golf Experience* is for you!
