

Dear student:

On behalf of my sister Katelyn and the Cystic Fibrosis Foundation, thank you for participating in *CureFinders*.

I am honored that so many students in your school and across the country chose to take part in *CureFinders*. The money you raised will fund essential research that will help all those with the disease live a healthier and longer life. Every step we take is powered by your generosity, your commitment and friendship.

There are many promising research opportunities on the horizon. I hope that you had a great time raising money this year and plan to participate in *CureFinders* next year as we continue to *add tomorrows every day* to the lives of those with cystic fibrosis.

Thank you for bringing us closer to the day when CF stands for "Cure Found."

Sincerely,

*Mackenzie
