

Many people with CF
and their families face
complicated issues
related to getting
the care they need.
But no one has to do it alone.

What Is CF Foundation *Compass*?

Getting and affording cystic fibrosis care can be complicated and time-consuming. That's why there's CF Foundation *Compass*. *Compass* case managers help you work through the insurance, financial, legal and other concerns you might be facing.

How Can *Compass* Help?

Compass can help with:

- Understanding and getting insurance coverage and benefits
- Finding resources to pay for therapies and medications
- Getting legal information on topics such as disability and government benefits and employment or school issues
- Dealing with other concerns related to life with CF

A dedicated *Compass* case manager is ready to work one-on-one with you. They are knowledgeable and have many years of experience with CF issues. They listen closely, explain thoroughly, connect you with other resources when needed and work through issues with you from start to finish.

Contact CF Foundation *Compass* today.
Tell them your issue.

They will help you find a solution.

WITH YOU through
insurance, financial,
legal and other issues

People reach out to *Compass* for help with everyday concerns, and they often need more support during times of change, such as:

- Receiving an initial diagnosis
- Transitioning from a pediatric to an adult and/or transplant center
- Going to college
- Aging out of a parent's health insurance
- Moving
- Getting married
- Going on disability
- Changing or losing a job
