

Recipients: Care centers, clinicians... anyone in direct contact with patients/families

Purpose: Template email for CFF chapters and care centers to forward

Subject Line: Help the CF Foundation better represent you!

--

The 2019 CF Health Insurance Survey is open and available at www.cff.org/survey for people with CF, parents, or caretakers. The survey should take no longer than 15 minutes to complete and respondents will receive a \$10 Amazon gift card for their time.

Participation in this survey is critical to help educate the CF Foundation on how to best represent people with CF and their families through policy efforts and *Compass* programming. By completing this survey, participants are improving the Foundation's knowledge of how people with CF navigate health insurance, access to care, and cost.

For more information about the survey, please visit www.cff.org/CFHIS. If you have any questions, please contact CFHIS@gwu.edu.

We greatly appreciate your continued support!

Sincerely,

Your CF Care Team/Chapter Staff
