VIRTUAL GREAT STRIDES – May 16, 2021

GREAT STRIDES® CYSTIC FIBROSIS FOUNDATION

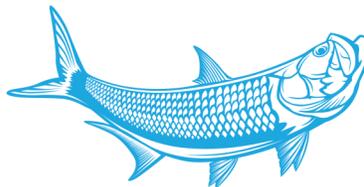

We can't wait to bring the CF community together for South Florida Great Strides! This year, we will host ONE combined, virtual walk for all of South Florida. Every 2021 CF Foundation event will feature several virtual components and experiences to help make a difference for people living with cystic fibrosis. Register and participate virtually in this year's Great Strides event and help us stay the course and advance our mission in an uncertain time. While we won't be together in person, we will be together in spirit, showing the strength of our community and passion to find a cure for all people living with cystic fibrosis.

Stay up to date on how our chapter plans to safely bring the community together and make CF stand for Cure Found by registering today.
