Tomorrow's Leaders

Calling all young professionals! The Greater Cincinnati Chapter of the Cystic Fibrosis Foundation has launched its first ever Young Professionals Program, Tomorrow's Leaders. This program is designed to offer like-minded professionals leadership skills and networking opportunities while also making a difference in the lives of individuals living with cystic fibrosis. If you are between the ages of 21-40 and are interested in expanding your skills, networking with colleagues, and making friends while supporting a good cause this is the place for you!

Important note on attendance at Foundation events:

To reduce the risk of getting and spreading germs at CF Foundation-sponsored events, we ask that everyone follow basic best practices by regularly cleaning your hands with soap and water or with an alcohol-based hand gel, covering your cough or sneeze with a tissue or your inner elbow and maintaining a safe 6-foot distance from anyone with a cold or infection.

Medical evidence shows that germs may spread among people with CF through direct and indirect contact as well as through droplets that travel short distances when a person coughs or sneezes. These germs can lead to worsening symptoms and speed decline in lung function. To further help reduce the risk of cross-infection, the Foundation's attendance policy recommends inviting only one person with CF to attend the indoor portion of a Foundation-sponsored event at a specific time. For the outdoor portion, the Foundation recommends that all people with CF maintain a safe 6-foot distance from each other at all times.
