Important Note on Attendance at Foundation Events: To reduce the risk of getting and spreading germs at CF Foundation-sponsored events, we ask that everyone follow basic best practices by regularly cleaning your hands with soap and water or with an alcohol-based hand gel, covering your cough or sneeze with a tissue or your inner elbow and maintaining a safe 6-foot distance from anyone with a cold or infection. Medical evidence shows that germs may spread among people with CF through direct and indirect contact as well as through droplets that travel short distances when a person coughs or sneezes. These germs can lead to worsening symptoms and speed decline in lung function. To further help reduce the risk of cross-infection, the Foundation's attendance policy recommends inviting only one person with CF to attend the indoor portion of a Foundation-sponsored event at a specific time. For the outdoor portion, the Foundation recommends that all people with CF maintain a safe 6-foot distance from each other at all times.

SPECIAL EVENTS

Tomorrow's Leaders is the Cystic Fibrosis Foundation's young professional program, designed to offer like-minded professionals leadership skills and networking opportunities while they make a difference in the lives of those with cystic fibrosis. Tomorrow's Leaders are philanthropic individuals between the ages of 21 and 40 who believe in the Cystic Fibrosis Foundation's mission and desire to grow personally and professionally.
