## GREAT STRIDES

### GREAT STRIDES CYSTIC FIBROSIS FOUNDATION

Great Strides is the CF Foundation’s largest fundraising event. It provides opportunities for all people within a local community to get involved forming teams with friends, family and colleagues. Walk day is a fun celebration that includes a healthy walk and festivities that participants look forward to year after year.

# SPECIAL EVENTS

**Kansas City Wine Opener | August 29th | Union Station**  
Libations at the Station, formerly The Kansas City Wine Opener, is a casual, lively and fun evening to sip great libations and savor great cuisine while supporting a great cause. Over 600 guests gather the last Thursday in August at the beautiful Union Station to enjoy wine, handcrafted beers and spirits, as well as, indulge in the best food from the area's hottest restaurants.

**A Toast To Wichita's Finest | September 26th  
TBD**

The Wine Opener is a national wine tasting series to benefit the Cystic Fibrosis Foundation locally. The Wichita Wine Opener—A Toast to Wichita's Finest will be held from 6-9 p.m.

# INDIVIDUAL GIVING

Cystic Fibrosis Foundation  
Annual Fund

Become a member of Partners in Progress, the CF Foundation's annual fund, with donations up to \$10,000 and help us advance our mission. These gifts help us develop new treatments and pursue every opportunity for promising research that can lead us to a cure.

**Important Note on Attendance at Foundation Events:** To reduce the risk of getting and spreading germs at CF Foundation-sponsored events, we ask that everyone follow basic best practices by regularly cleaning your hands with soap and water or with an alcohol-based hand gel, covering your cough or sneeze with a tissue or your inner elbow and maintaining a safe 6-foot distance from anyone with a cold or infection. Medical evidence shows that germs may spread among people with CF through direct and indirect contact as well as through droplets that travel short distances when a person coughs or sneezes. These germs can lead to worsening symptoms and speed decline in lung function. To further help reduce the risk of cross-infection, the Foundation's attendance policy recommends inviting only one person with CF to attend the indoor portion of a Foundation-sponsored event at a specific time. For the outdoor portion, the Foundation recommends that all people with CF maintain a safe 6-foot distance from each other at all times
