DoubleTree by Hilton Omaha Downtown | Quarry Oaks Golf Club

Links to a Cure Dinner & Golf Benefit is a two-part event. The gala features dinner, open bar, and expansive silent and live auctions. The following day includes some of the best golf in the state at the beautiful Quarry Oaks Golf Club as well as exceptional food, beverages and an impressive player's package for each golfer.

Important Note on Attendance at Foundation Events: To reduce the risk of getting and spreading germs at CF Foundation-sponsored events, we ask that everyone follow basic best practices by regularly cleaning your hands with soap and water or with an alcohol-based hand gel, covering your cough or sneeze with a tissue or your inner elbow and maintaining a safe 6-foot distance from anyone with a cold or infection. Medical evidence shows that germs may spread among people with CF through direct and indirect contact as well as through droplets that travel short distances when a person coughs or sneezes. These germs can lead to worsening symptoms and speed decline in lung function. To further help reduce the risk of cross-infection, the Foundation's attendance policy recommends inviting only one person with CF to attend the indoor portion of a Foundation-sponsored event at a specific time. For the outdoor portion, the Foundation recommends that all people with CF maintain a safe 6-foot distance from each other at all times
