GREAT STRIDES

GREAT STRIDES®
CYSTIC FIBROSIS FOUNDATION

Great Strides is the CF Foundation's largest fundraising event. It provides opportunities for all people within a local community to get involved forming teams with friends, family and colleagues. Walk day is a fun celebration that includes a healthy walk and festivities that participants look forward to year after year.

INDIVIDUAL GIVING

Cystic Fibrosis Foundation
Annual Fund

Become a member of Partners in Progress, the CF Foundation's annual fund, with donations up to \$10,000 and help fund lifesaving research and medical programs for people with CF.

Join the Milestones II campaign by making a major gift of \$10,000 or more in a calendar year. Major gifts help to support the CF Foundation's mission to fund the vital research that our patients and families depend on.

Important Note on Attendance at Foundation Events: To reduce the risk of getting and spreading germs at CF Foundation-sponsored events, we ask that everyone follow basic best practices by regularly cleaning your hands with soap and water or with an alcohol-based hand gel, covering your cough or sneeze with a tissue or your inner elbow and maintaining a safe 6-foot distance from anyone with a cold or infection. Medical evidence shows that germs may spread among people with CF through direct and indirect contact as well as through droplets that travel short distances when a person coughs or sneezes. These germs can lead to worsening symptoms and speed decline in lung function. To further help reduce the risk of cross-infection, the Foundation's attendance policy recommends inviting only one person with CF to attend the indoor portion of a Foundation-sponsored event at a specific time. For the outdoor portion, the Foundation recommends that all people with CF maintain a safe 6-foot distance from each other at all times.
