GREAT STRIDES

GREAT STRIDES CYSTIC FIBROSIS FOUNDATION

Great Strides is the CF Foundation's largest fundraising event. It provides opportunities for all people within a local community to get involved forming teams with friends, family and colleagues. Walk day is a fun celebration that includes a healthy walk and festivities that participants look forward to year after year.

For more information, visit: greatstrides.cff.org

May 17, 2020 - Schodack

May 30, 2020 - Plattsburgh

*Tentative dates, subject to change

ENDURANCE EVENTS

33rd Annual CF Climb

February 20, 2021

Corning Tower, Empire State Plaza

Climb 42 floors, 809 steps either as an individual, firefighter, first responder or part of a four-person relay team. However you reach the top you will make a difference.

CYSTIC FIBROSIS FOUNDATION

Important Note on Attendance at Foundation Events: To reduce the risk of getting and spreading germs at CF Foundation-sponsored events, we ask that everyone follow basic best practices by regularly cleaning your hands with soap and water or with an alcohol-based hand gel, covering your cough or sneeze with a tissue or your inner elbow and maintaining a safe 6-foot distance from anyone with a cold or infection. Medical evidence shows that germs may spread among people with CF through direct and indirect contact as well as through droplets that travel short distances when a person coughs or sneezes. These germs can lead to worsening symptoms and speed decline in lung function. To further help reduce the risk of cross-infection, the Foundation's attendance policy recommends inviting only one person with CF to attend the indoor portion of a Foundation-sponsored event at a specific time. For the outdoor portion, the Foundation recommends that all people with CF maintain a safe 6-foot distance from each other at all times

SPECIAL EVENTS

CYSTIC FIBROSIS FOUNDATION

CYSTIC FIBROSIS FOUNDATION

Our 65 Roses In person Gala was scheduled for October 2, 2020 and has transitioned to our Inaugural Bathrobe Ball - no show gala for 2020.

The CF Foundation prioritizes the health and safety of the CF community and made the tough decision to transition in person events for the remainder of 2020.

The Bathrobe Ball is a campaign running through November 15th, to contribute to further the mission of the Foundation by staying home and donating an amount meaningful to you that represents a component of a typical gala (ie. ticket, table sponsorship, attire, babysitting costs) - all expenses you do not have by enjoying a night in.

Please consider making a donation to the Bathrobe Ball:

Uncork the Cure

Virtual Wine Tasting with special guest, Joseph Carr - World Class Sommelier

October 29, 2020

Join us virtually for a guided wine tasting by Joseph Carr featuring Joseph Carr and Josh wines. Each ticket purchase includes a wine tasting kit with 4 bottles of wine and two tasting glasses - suggested for between 2-4 people. Depending on your location, wine kits will be delivered to your door. Enjoy a nice date night or a family wine tasting event from the comfort of your home!

INDIVIDUAL GIVING

Cystic Fibrosis Foundation
Annual Fund

Become a member of Partners in Progress, the CF Foundation's annual fund, with donations up to \$10,000 and help fund lifesaving research and medical programs for people with CF.

Accelerating the Search for a Cure

Join the Milestones II campaign by making a major gift of \$10,000 or more in a calendar year. Major gifts help to support the CF Foundation's mission to fund the vital research that our patients and families depend on.
