GREAT STRIDES

GREAT STRIDES

CYSTIC FIBROSIS FOUNDATION

Great Strides is the CF Foundation's largest fundraising event. It provides opportunities for all people within a local community to get involved forming teams with friends, family and colleagues. Walk day is a fun celebration that includes a healthy walk and festivities that participants look forward to year after year.

For more information: visit greatstrides.cff.org

May 19, 2018—Tulsa, Centennial Park

ENDURANCE EVENTS

CYSTIC FIBROSIS FOUNDATION

Get your wheels in motion and join us for our 5th Annual CF Cycle for Life NIGHT RIDE! Participants will start the evening at our Get Lit tent, getting their glow on, and gearing up to ride along the Tulsa River Park Trails as well as taking a tour through downtown Tulsa, OK. The CF Cycle for Life is a fully-supported ride with a fun 20-mile route option. *For more information visit: http://fightcf.cff.org/site/TR?fr_id=6967&pg=entry&_ga=2.74059154.1045379589.1515427670*

September 14, 2018— Guthrie Green
Event Chair: Keith Kelly

Xtreme Hike is about reaching new heights — physically and philanthropically. It's a journey of passion, determination and personal triumph, as much as it's an opportunity to make a difference in the lives of people with CF. *For more information visit: <http://fightcf.cff.org/xtremehiketulsa>*

October 13, 2018 — Mt. Magazine State Park, Arkansas
Event Chair: Emily Stewart

XTREME HIKE

CYSTIC FIBROSIS FOUNDATION

Important Note on Attendance at Foundation Events: To reduce the risk of getting and spreading germs at CF Foundation-sponsored events, we ask that everyone follow basic best practices by regularly cleaning your hands with soap and water or with an alcohol-based hand gel, covering your cough or sneeze with a tissue or your inner elbow and maintaining a safe 6-foot distance from anyone with a cold or infection. Medical evidence shows that germs may spread among people with CF through direct and indirect contact as well as through droplets that travel short distances when a person coughs or sneezes. These germs can lead to worsening symptoms and speed decline in lung function. To further help reduce the risk of cross-infection, the Foundation's attendance policy recommends inviting only one person with CF to attend the indoor portion of a Foundation-sponsored event at a specific time. For the outdoor portion, the Foundation recommends that all people with CF maintain a safe 6-foot distance from each other at all times.
