ENDURANCE EVENTS

*CF Cycle for Life
September 29, 2018
Bay Creek Park, Edisto Beach*

Join more than 100 cyclists from all around South Carolina to ride the "road less traveled" in support of finding a cure for cystic fibrosis. This event is for all riders from unique to advanced who are looking for a unique cycling experience.

For more information visit: <http://fightcf.cff.org/SCcycle>

Important Note on Attendance at Foundation Events: To reduce the risk of getting and spreading germs at CF Foundation-sponsored events, we ask that everyone follow basic best practices by regularly cleaning your hands with soap and water or with an alcohol-based hand gel, covering your cough or sneeze with a tissue or your inner elbow and maintaining a safe 6-foot distance from anyone with a cold or infection. Medical evidence shows that germs may spread among people with CF through direct and indirect contact as well as through droplets that travel short distances when a person coughs or sneezes. These germs can lead to worsening symptoms and speed decline in lung function. To further help reduce the risk of cross-infection, the Foundation's attendance policy recommends inviting only one person with CF to attend the indoor portion of a Foundation-sponsored event at a specific time. For the outdoor portion, the Foundation recommends that all people with CF maintain a safe 6-foot distance from each other at all times
