## ENDURANCE EVENTS

The Cystic Fibrosis Foundation's 5th Annual Xtreme Hike takes hikers through some of the most scenic trails in the nation to raise funds and awareness for cystic fibrosis. This year's hike will take place at Natural Bridge Hotel & Conference Center in Natural Bridge, VA, September 29-October 1, 2018

*For more information visit: <http://Virginia.cff.org/XtremeHike>*

September 30, 2018 - Xtreme Hike    October 28, 2018 - Cycle for Life

The 2018 Virginia CF Cycle for Life is a one-day fundraising bike event with a choice of two riding routes, 25 & 65 miles, perfect for novice to advanced riders. This ride is fully supported with well stocked rest stops, support and gear (SAG) vehicles, bike mechanics, on site medical services, complimentary breakfast as well as post-race finish line festivities. This inaugural event will take place at Hardywood Craft Brewery, West Creek, October 28, 2018.

**Important Note on Attendance at Foundation Events:** To reduce the risk of getting and spreading germs at CF Foundation-sponsored events, we ask that everyone follow basic best practices by regularly cleaning your hands with soap and water or with an alcohol-based hand gel, covering your cough or sneeze with a tissue or your inner elbow and maintaining a safe 6-foot distance from anyone with a cold or infection. Medical evidence shows that germs may spread among people with CF through direct and indirect contact as well as through droplets that travel short distances when a person coughs or sneezes. These germs can lead to worsening symptoms and speed decline in lung function. To further help reduce the risk of cross-infection, the Foundation's attendance policy recommends inviting only one person with CF to attend the indoor portion of a Foundation-sponsored event at a specific time. For the outdoor portion, the Foundation recommends that all people with CF maintain a safe 6-foot distance from each other at all times
