Medical					

	Monthly Premium	Deductible	Out-of-Pocket (OOP) Costs	OOP Maximum	Of Note
Part C (Medicare Advantage)	Monthly premium (based on plan) plus Medicare Part B premium. Medications may be included.	Depends on plan	Depending on plan, there may be copays or coinsurance for office visits or services; may vary based on where services are provided (in network or out of network).	\$6,700**** Does not include Part D drug costs.	
Part D (Prescription Drugs)	Depends on the plan; Medicare Part B premium also will be charged.	\$435	Depends on plan and formulary, medication tier, and pharmacy used. These costs can be significant for someone with CF.		Plans may have coverage restrictions (e.g., prior authorization, step therapy, or quantity limits).

*Most people who worked for at least 10 years and paid Medicare taxes qualify for premium-free Part A.

**Begins on first day in a hospital; ends after 60 consecutive days not getting skilled care.

***May be higher — depends on when enrolled and income for previous two years.

****Maximum for 2020
