GREAT STRIDES

Great Strides is the CF Foundation’s largest fundraising event. The fun atmosphere is great for families, friends and corporate team-building. Our teams and the community join together in an inspiring annual celebration. Corporate teams soon become part of the CF family and know that their strides bring the Foundation closer to a cure! In 2015, over $1.2 million was raised locally through the Metro D.C. Chapter’s 10 regional walks to support the Foundation.

Important Note on Attendance at Foundation Events: To reduce the risk of getting and spreading germs at CF Foundation-sponsored events, we ask that everyone follow basic best practices by regularly cleaning your hands with soap and water or with an alcohol-based hand gel, covering your cough or sneeze with a tissue or your inner elbow and maintaining a safe 6-foot distance from anyone with a cold or infection. Medical evidence shows that germs may spread among people with CF through direct and indirect contact as well as through droplets that travel short distances when a person coughs or sneezes. These germs can lead to worsening symptoms and speed decline in lung function. To further help reduce the risk of cross-infection, the Foundation’s attendance policy recommends inviting only one person with CF to attend the indoor portion of a Foundation-sponsored event at a specific time. For the outdoor portion, the Foundation recommends that all people with CF maintain a safe 6-foot distance from each other at all times.
